How to Plan Your Day

- ⦿ Planning ahead ensures a great experience on the Wine Hopper. We've made planning easy with our Wine Hopper day planner, find it on our website at <https://winehopper.com.au/murrumbateman-winery-tours/>
- ⦿ The tour includes up to 4 stops, each lasting around 1 hour – enough time for tastings or lunch.
- ⦿ If you prefer a longer, more relaxed lunch, you can stay at one venue for 2 hours.
- ⦿ We recommend scheduling your lunch stop as your 2nd or 3rd visit.
- ⦿ Start by selecting your lunch venue, then choose one or two wineries for the morning or afternoon. Review the winery information sheet and pick ones that suit your vibe! Use the helpful tags to make choosing quick and easy.
- ⦿ Wineries must be visited in the order listed in the itinerary – from top to bottom. The last time shown for each stop is the pickup time; you cannot get off at that stop.
- ⦿ Some wineries require bookings – check the winery information sheet and make reservations if needed for your group size. If you don't have a booking and cannot be seated, the bus will not return for you.
